

The “Sound of Springtown” Band

Commitment to Excellence

In order for our band to be successful, ***WE NEED YOU!*** We need you to work hard every day - before school, after school, Friday nights, Saturdays and more! Even though it sounds like a lot of work, it is a lot of FUN and a great family of friends. The teamwork and life lessons that you will learn in band are well worth the time and effort!

We are asking you and your family to commit to the Sound of Springtown for the duration of the marching season. As directors and teachers we promise to work hard, push harder and dream big in order to give you the opportunity to be a part of something great!

We are wrapping up our planning for the marching show entitled “Red”. For us to develop the best show possible, we have to know who will be a part of this team. By signing below, you are saying that we can count on you!

We promise you this – if you commit whole-heartedly to this team and this production, we will commit ourselves to making you a viable and contributing member of the greatest and longest winning tradition in all of Springtown.

Please sign and return the bottom portion of this commitment form.
