School Owned / Issued Instruments

The Springtown Independent School District will provide a limited number of instruments for student use. This equipment is generally purchased by the school district for student use because of its extremely high value.

Thus, all school owned equipment must be handled with optimum care. Students failing to care for, or take care of their school issued instrument will lose the privilege to use such instruments. The following is a list of general procedures for school owned instruments:

1. If at all possible, students will be issued one instrument for home use and one for school use. Order of distribution will be done based on chair order.
2. Springtown Independent School District does not provide insurance for individually or school owned equipment. It is required of all students utilizing school owned instruments to provide insurance coverage for the said instrument. ***Students will be held responsible for school owned instruments issued to them. This responsibility will include fire, theft, accidental damage, abuse and general maintenance not incurred through normal use.***
3. Students and parents must sign an instrument checkout form before the instrument can be used by the student.
4. Each instrument will be issued in good playing condition. Each issued instrument will be checked and cleaned prior to issue. Students are expected to maintain their issued instruments accordingly.
5. The band member is financially responsible for all equipment and/or materials checked out to him or her.
6. All equipment and materials must be kept in their proper storage location when not in use.
7. The Springtown I.S.D. will assess a fee of \$50.00 for routine cleaning and maintenance of school district owned instruments.

Special Note

School owned instruments are not to be treated as "free" instruments. Basic supplies must still be purchased and repairs must still be made just like personally owned instruments. Please strive to treat these instruments as if they were your own. Most school owned instruments exceed a \$2,000.00 value.

Travel Guidelines

The band will frequently travel on both school buses and suburbans. Student conduct is expected to be at the highest level on any trip.

1. Students must travel to events and return from events on the bus. Any student wishing to arrive or leave with his / her parent, must notify a director in writing prior to the event. A decision will be rendered based on the circumstances provided.
2. Students must have all necessary forms completed and returned, to travel on any trip with the band.
3. While on the bus students will:
 - A. Remain seated at all times

 - D. Use only approved type / headset radios

- E. Remain silent when addressed by person in charge on the bus

Special Note

Students are reminded that all performances / concerts start and conclude at the band hall. As a member of the band, you are a representative of your school. Always be on your best behavior. If you are in doubt about an action, DO NOT DO IT. This is a reflection on the school, the band, your home, yourself and the community.

Chaperones

Adult chaperones are a great asset for the band program. Proper respect will be shown to all adults associated with the band program at all times.

However, the student may not be suspended from participation during the period in which school is recessed for the summer. Also, students are not suspended for practice or rehearsal of extracurricular activities.

2. Students may regain eligibility under certain circumstances. If a student has been suspended as a result of failing, he / she may regain eligibility by passing ALL courses in the third week of the affected grading period. Thus, he may regain eligibility at the conclusion of the 4th week of the suspension period.

3. A few band activities are designated by the state as co-curricular.

These activities are those which occur on campus, and are a natural extension of the learning taken place in the classroom. Examples of this type of activity are the public concerts which are presented at Springtown High School. These activities are not governed by the state eligibility law.
