

Welcome back to another school year!! We are looking forward to another great band year and furthering your child's skills in percussion and music!! Below you will find a list of required supplies for the Middle School percussionist. If you have any questions, please email me at cmclellan@springtownisd.net.

Students who do not have these supplies will be charge an additional \$50.00 percussion fee (yearly) to offset the cost of supplying these required supplies to the student. It is much more cost effective to own your own basic supplies.

As Salyers Educational Endorsers, we can order Salyers brand supplies at a 40% discount off retail prices. Please let us know if you want to purchase through us. We do not make anything from Salyers, it's just a way to get better prices for our school and students.

The following companies will be able to assist you at the most reasonable cost. You may call or use their website. Either way, they the best prices and are very knowledgeable.
