

Springtown Middle School Percussion Supply List 2018-19

Welcome back to school! We are looking forward to another great year in band and furthering your child's skills in percussion and music! Below you will find a list of required supplies for the Springtown Middle School percussionist. If you have any questions, please email Ms. Garza: rgarza@springtownisd.net

All percussion students will have a \$50 annual school percussion usage fee that goes toward the use and maintenance of all school percussion equipment. This includes, but is not limited to, the purchase of new drum heads, accessories, and equipment for students. Students are required to own and use their own sticks and mallets, which are not covered by the school's percussion usage fee.

As Salyers Educational Endorsers, we can order Salyers brand supplies at a 40% discount off retail prices. Please let us know if you want to purchase through us. We do not make any profit from the sales of Salyers; it's just a way to get better prices for our school and students.

The following companies will be able to assist you at the most reasonable cost. You may call or use their website. Either way, they have the best prices and are very knowledgeable.
